Course Dates and Applicants:

An *individual applicant* is either placed on a pre-arranged/pre-booked course organised by a **HA** or is placed on an **LLT** course comprising solely *individual applicants*.

A ‘course’ is defined as a learning journey and training package of blended learning approaches comprising online learning tasks (monitored and supported by LLT tutors), self-directed learning hours and LLT led face-to-face training dates, Individual applicants must complete all online tasks (these form part of summative assessment) and must attend all face-to-face training days.

A course has deemed to have commenced once hard copy resources are posted by LLT to the candidate. Resources will be posted to be received 4 weeks prior to the face-to-face training days in order that pre-course online learning and self-directed learning can be completed.

1. A completed online booking form is required to secure a booking on a course. The booking form must be received at least one week prior to receipt of hard copy resources in preparation for online pre-course learning tasks. Once confirmed in writing, face- to-face training dates will only change for exceptional reasons. *Individual applicants* will be informed by *LLT* of any face-to-face training date changes as soon as these occur. If the individual applicant cannot attend the rearranged dates they, or their funder, will receive a full refund of any course fees paid.
2. A minimum of 8 applicants is required to run a course. In the event that *LLT* do not receive the sufficient number of bookings to run a course, *LLT* reserve the right to defer or cancel course dates. If this does occur, individual applicants, or their funder, will receive a full refund of any course fees paid.

Covid - The 4 nations have had different approaches to the opening up of businesses and reducing social distancing and mask wearing. These restrictions may, of course, also return at short notice. We will follow each nations particular policy at the time and constantly be mindful of the health of both the learners and the tutors.
